## Happy Easter!

Go to <https://bestlifeonline.com/easter-games/> to find 22 Super fun games to play on Easter!

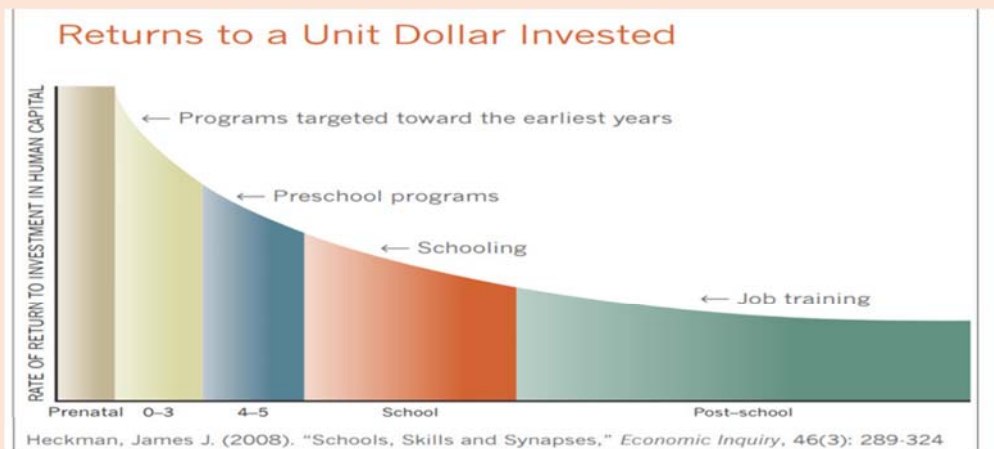

# Principal's Letter

I want to express my sincere appreciation for all our employees at Blackwater Community School staff who have been working very hard to ensure the academic continuity remains in full-force for all students. We will continue serving meals until further notice. This is just a friendly reminder to our students and parents living in District 3, please come and pick up your meals at the scheduled time. I would like to remind that Our school will be closed on April 10th and April 13th due to Easter Break. There will not be any meals served on those days. Please make a note of it.

Secondly, all our teachers have been instructed to make phone calls to work with you and your child through various means including remote teaching and learning. Please contact the school and let the administration know how things are going as well as any questions and or concerns you may have.

**Early childhood Education:** I am big believer in the Early Childhood Education for all our youngest community members.

*"The highest rate of return in early childhood development comes from investing as early as possible, from birth through age five, in disadvantaged families. Starting at age three or four is too little too late, as it fails to recognize that skills beget skills in a complementary and dynamic way. Efforts should focus on the first years for the greatest efficiency and effectiveness. The best investment is in quality early childhood development from birth to five for disadvantaged children and their families."—James J. Heckman, December 7, 2012*

**Early childhood education is an efficient and effective investment for economic and workforce development. The earlier the investment, the greater the return on investment.**

(Source: James Hackman, Nobel Laureate in Economics)

**School construction** is going very well without any glitches. You may want to check out the latest video on the construction progress by visiting the following link:

<https://www.youtube.com/watch?v=ruX2WmWanYU&feature=youtu.be>

I want to thank you all for your continuing support to our school. We appreciate it very much. Please take care of yourself and your loved ones. Stay in touch.
