## Home & School CONNECTION

Working Together for School Success

### A Reading Challenge

By reading more complex books, your child can learn new words, facts, and ideas. He'll also be exposed to more complicated plots and will grow as a reader. Share these suggestions:

- ◆ Knowing something about the topic or setting makes a tougher book easier to comprehend.

If your youngster is reading a novel set in China, he could talk to someone who has been there or look up the country online (try a children's site like [kids.nationalgeographic.com](http://kids.nationalgeographic.com)).

- ◆ Encourage your child to look at a simpler book on the same subject. A picture– book biography about Harriet Tubman may help your youngster better understand a textbook chapter on the civil rights movement, for instance.
- ◆ Suggest that your child read complicated material with pencil and paper in hand. He can jot down questions, words to look up, or facts he wants to learn more about.

## Have you checked out the website lately?

1. Download the QR Code reader app in your Apple or Google Play store (Free to download!)
2. Scan the code! →
3. Check out the BWCS website and stay in the loop!

*"The best way to spread Christmas Cheer is singing loud for all to hear."*
