Negligence in preparing a proposal confers no right of withdrawal after due time and date.
- g. Vendor List: Vendors who fail to respond to solicitations for two consecutive procurements of similar items may be removed from the applicable vendor list.

2. INQUIRIES

Any question related to this Request for Proposal shall be directed to the person whose name appears on the cover of this document. Offerors shall not contact or ask questions of the school or department for which the requirement is being procured. Questions should be submitted in writing when time permits. The School may require any and all questions to be submitted in writing at the School's sole discretion. Any correspondence related to a solicitation shall refer to the appropriate solicitation number, page and paragraph number. However, the Offeror shall not place the solicitation number on the outside of an envelope containing questions, since such an envelope may be identified as a sealed Proposal and may not be opened until after the official solicitation due date and time.

3. LATE PROPOSAL

Late proposals shall not be considered, except as provided in the School Procurement Rules. An Offeror submitting a late proposal shall be so notified.

4. WITHDRAWAL OF PROPOSAL

At any time prior to a specified solicitation due time and date an Offeror (or designated representative) may withdraw the proposal. Facsimile, telegraphic or mailgram withdrawals shall not be considered.

5. AMENDMENT OF PROPOSAL

The Offeror shall acknowledge receipt of a Solicitation Amendment by signing and returning the document on or before the specified due time and date. Failure to return a signed copy of a material Solicitation Amendment or to follow the instructions for acknowledgment of the Solicitation Amendment shall result in rejection of the Offer.

6. PAYMENT

The School may make every effort to process payment for the purchase of goods or services within ten (10) working days after receipt of goods or services and a correct notice of amount due, unless a good faith dispute exists as to any obligation to pay all or a portion of the account. Any proposal that requires payment in less than ten (10) calendar days shall not be considered.

7. DISCOUNTS

Payment discount periods shall be computed from the date of receipt of material/service or correct invoice, whichever is later, to the date the School's check is mailed. Unless freight and other charges are itemized, any discount provided shall be taken on full amount of invoice. Payment discounts of ten (10) calendar days or more shall be deducted from the proposal price in determining the lowest cost proposal. However, the School shall be entitled to take advantage of any payment discount offered by the Vendor provided payment is made within the discount period.

8. TAXES

The School is exempt from Federal Excise Tax, including the Federal Transportation Tax. The School is also exempt from State Sales tax if the materials/services are delivered onto the School's premises, which is on the Gila River Indian Community.

9. TRIBAL BUSINESS LICENSE

The Offeror shall understand that the Vendor awarded the contract will require a Gila River Business License prior to conducting business with the School.

10. AWARD OF CONTRACT

- a. Unless the Offeror states otherwise, or unless otherwise provided within the Request for Proposal, the School reserves the right to make multiple awards or to award by individual line item, by group of line items, or as a total, whichever is deemed most advantageous to the School.
- b. Notwithstanding any other provision of the Request for Proposal, the School reserves the right to:
 - 1) Waive any immaterial defect or informality; or
 - 2) Reject any or all proposals, or portions thereof; or
 - 3) Cancel/Reissue a Request for Proposal.
- c. A response to a Request for Proposal is an offer to contract with the School based upon the terms, conditions and specifications contained in the School's Request for Proposal. Proposals do not become contracts unless and until they are accepted by the Blackwater Community School Principal/Superintendent and an offer and acceptance form or other award document is executed by an authorized School official. The contract has its inception in the award document, eliminating a formal signing of a separate contract. For that reason, all of the terms and conditions of the procurement contract are contained in the Request for Proposal, unless modified by a Solicitation Amendment, a Contract Amendment, or by mutually agreed terms and conditions in the contract documents.

STANDARD TERMS AND CONDITIONS

The following terms and conditions are an explicit part of the solicitation and any resultant contract.

- 1. CERTIFICATION:** By signature in the offer section of the offer and acceptance page, Bidder/Offeror certifies that:
 - A. The submission of the offer did not involve collusion or other anti-competitive practices.
 - B. The Offeror has not given, offered to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant in connection with the submitted offer. Failure to provide a valid signature affirming the stipulations required by this clause shall result in the rejection of the offer. Signing the offer with a false statement shall void the offer, any resulting contract and may be subject to remedies provided by the law.
- 2. GRATUITIES**

The school may, by written notice to the Contractor, cancel this contract if it is found by the School that gratuities, in the form of entertainment, gifts or otherwise, were offered or given by the Contractor or any agent or representative of the Contractor, to any officer or employee of the School with a view toward securing a contract, securing favorable treatment with respect to the awarding, amending, or the making of any determinations with respect to the performing of such contract. In the event this contract is canceled by the School pursuant to this provision, the School shall be entitled, in addition to any other rights and remedies, to recover or withhold from the Contractor the amount of the gratuity.
- 3. APPLICABLE LAW**

Please see the Independent Contractor's Agreement section 14.6 for all applicable Law.
- 4. SCHOOL PROCUREMENT RULES**

Unless expressly provided otherwise herein, the School Procurement Rules and School Board Policies are a part of this document as if fully set forth herein.
- 5. LEGAL REMEDIES**

All claims and controversies shall be subject to the School Procurement Rules.
- 6. CONTRACT**

The contract shall be based upon the solicitation issued by the School and the offer submitted by the Contractor in response to the solicitation. The offer shall substantially conform to the terms, conditions specifications and other requirements set forth within the text of the solicitation. The School reserves the right to clarify any contractual terms with the concurrence of the Contractor, however, any substantial non-conformity in the offer shall be deemed non-responsive and the offer rejected. The contract shall contain the entire agreement between the School and the Contractor relating to this requirement and shall prevail over any and all previous agreements, contracts, proposals, negotiations, purchase orders or master agreements in any form.
- 7. CONTRACT AMENDMENTS**

This contract may be modified only by a written contract amendment signed by persons duly authorized to enter into contracts on behalf of the School and the Contractor.
- 8. VERBAL RESPONSES**

Any inquiry that results in changes to the Solicitation shall be answered solely through a written Solicitation Amendment. An Offeror may not rely on verbal responses to its inquiries.
- 9. PROVISIONS REQUIRED BY LAW**

Each and every provision of law and any clause required by law to be in the contract shall be read and enforced as though it were included herein, and if through mistake or otherwise any such provision is not inserted, or is not correctly inserted, then upon the application of either party the contract shall forthwith be physically amended to make such insertion or correction.
- 10. TERMINATION BY THE SCHOOL**

The School may cancel this contract without penalty or further obligation if any person significantly involved in initiating, negotiating, securing, drafting or creating the contract on behalf of the School is or becomes, at any time while the contract or any extension of the contract is in effect, an employee of or a consultant to any other party to this contract with respect to

the subject matter of the contract. Such cancellation shall be effective when written notice from the School Principal is received by the parties to this contract, unless the notice specifies a later time.

11. SEVERABILITY

The provisions of this contract are severable to the extent that any provision or application held to be invalid shall not affect any other provision or application of the contract which may remain in effect without the invalid provision or application.

12. RELATIONSHIP OF PARTIES

It is clearly understood that each party shall act in its individual capacity and not as an agent, employee, partner, joint venturer, or associate of the other. An employee or agent of one party shall not be deemed or construed to be the employee or agent of the other party for any purpose whatsoever. The Contractor is advised that taxes or social security payments shall not be withheld from a School payment issued thereunder and that Contractor should make arrangements to directly pay such expenses, if any.

13. INTERPRETATION – PAROLE EVIDENCE

This contract is intended by the parties as a final expression of their agreement and is intended also as a complete and exclusive statement of the terms of this agreement. No course of prior dealings between the parties and no usage to the trade shall be relevant to supplement or explain any term used in this contract. Acceptance or acquiescence in a course of performance rendered under this contract shall not be relevant to determine the meaning of this contract even though the accepting or acquiescing party has knowledge of the nature of the performance and opportunity to object. Whenever a term defined by the School Procurement Rules is used in this contract, the definition contained in such rules shall control.

14. ASSIGNMENT – DELEGATION

No right or interest in this contract shall be assigned by the Contractor without prior written permission of the School and no delegation of any duty of Contractor shall be made without prior written permission of the School. The School shall not unreasonably withhold approval and shall notify the Contractor of the School's position within fifteen (15) days of receipt of written notice by the Contractor.

15. SUBCONTRACTS

No subcontract shall be entered into by the Contractor with any other party to furnish any of the material, service or construction specified herein without the advance written approval of the School. All subcontracts shall comply with Federal, Tribal, and applicable State laws and regulations which are applicable to the services covered by the subcontract and shall include all the terms and conditions set forth herein which shall apply with equal force to the subcontract, as if the Subcontractor were the Contractor referred to herein. The Contractor is responsible for contract performance whether or not Subcontractors are used. The School shall not unreasonably withhold approval and shall notify the Contractor of the School's position within fifteen (15) days of receipt of written notice by the Contractor.

16. FINGERPRINT CLEARANCE CARDS

In accordance with A.R.S 15-512(H), a contractor, subcontractor or Contractor or any employee of a contractor, subcontractor or Contractor who is contracted to provide services on a regular basis at an individual school may be required to obtain a valid fingerprint clearance card pursuant to title 41, chapter 12, article 3.1. An exception to this requirement may be made as authorized in Governing Board policy.

Contractor, subcontractors, Contractors and their employees shall not provide services on school property until authorized by the School.

Additionally, contractor shall comply with Governing Board Policies of Blackwater Community School/Akimel O'Otham Pee Posh Charter School, Inc.

17. REGISTERED SEX OFFENDER NOTIFICATION RESTRICTION

Contractor represents and warrants that no employee of the Contractor, or of its subcontractor, who has been adjudicated to be a registered sex offender will perform work on School's premises at any time without written approval of the Principal.

Any breach of Contractor's or any subcontractor's warranty shall be deemed to be a material breach of this Contract, subjecting Contractor to penalties up to and including suspension or termination of this Contract. If the breach is by a subcontractor, and the subcontract is suspended or terminated as a result, Contractor shall be required to take such steps as may be necessary to either self-perform the services that would have been provided under the subcontract or retain a replacement subcontractor as soon as possible so as not to delay project completion.

Contractor shall advise each subcontractor of the School's rights and the subcontractor's obligations hereunder. Any additional costs attributable directly or indirectly to remedial action under this Article shall be the responsibility of Contractor.

18. RIGHTS AND REMEDIES

No provision in this document or in the Vendor's offer shall be construed, expressly or by implication as a waiver by either party of any existing or future right and/or remedy available by law in the event of any claim of default or breach of contract. The failure of either party to insist upon the strict performance of any term or condition of the contract or to exercise or delay the exercise of any right or remedy provided in the contract, or by law, or the acceptance of materials or services, or the payment for materials or services, shall not release either party from any responsibilities or obligations imposed by this contract or by law, and shall not be deemed a waiver of any right of either party to insist upon the strict performance of the contract.

19. PROTESTS

Any protests shall be in writing and shall be filed with the School's Business Office. A protest of a solicitation shall be received at the School's Business Office before the solicitation opening date. A protest of a proposed award or of an award shall be filed within ten (10) days after the protestor knows or should have known the basis of the protest. A protest shall include:

- A. The name, address and telephone number of the protester;
- B. The signature of the protester or its representative;
- C. Identification of the solicitation or contract number;
- D. A detailed statement of the legal and factual grounds of the protest including copies of relevant documents; and
- E. The form of relief requested.

20. WARRANTIES

Contractor warrants that all material, service or construction delivered under this contract shall conform to the specifications of this contract. Mere receipt of the material, service, or construction specified and any inspection incidental thereto by the School shall not alter or affect the obligations of the Contractor or the rights of the School under the foregoing warranties. Warranties of furniture and equipment received during the months of June through August shall commence on the date of school openings. Additional warranty requirements may be set forth in this document.

21. INDEMNIFICATION

Contractor shall indemnify, defend, and save harmless the School from any and all claims, demands, suits, actions, proceedings, losses, costs, and damages of every kind and description, including any reasonable attorney's fees and/or litigation expenses, which may be brought or made against or incurred by the School on account of loss of or damage to any property or for injuries to or death of any person, caused by, arising out of, or contributed to, in whole or in part, by reason of any act, omission, professional error, fault, mistake, or negligence of the contractor, its employees, agents, representatives, or subcontractors, or of their employees, agents, or representatives, in connection with or incidental to the performance of this agreement, or arising out of worker's compensation claims, unemployment compensation claims, or unemployment disability compensation claims of employees of the contractor and/or its subcontractors or claims under similar laws or obligations. The contractor's obligation under this section shall not extend to any liability caused by the sole negligence of the School or its employees.

22. OVERCHARGES BY ANTITRUST VIOLATIONS

The School maintains that, in actual practice, overcharges resulting from antitrust violations are borne by the Purchaser. Therefore, to the extent permitted by law, the Contractor hereby assigns to the School any and all claims for such overcharges as to the goods or services used to fulfill the contract.

23. FORCE MAJEURE

- A. Except for payment of sums due, neither party shall be liable to the other nor deemed in default under this contract if and to the extent that such party's performance of this contract is prevented by reason of force majeure. The term "force majeure" means an occurrence that is beyond the control of the party affected, which occurs without its fault or negligence, and which it is unable to prevent by exercising reasonable diligence. Without limiting the foregoing, force majeure includes acts of God, acts of the public enemy, war riots, strikes, mobilization, labor disputes, civil disorders, fire, flood, lockouts, injunctions-intervention-acts, or failures or refusal to act by government authority, and other similar occurrences. The force majeure shall be deemed to commence when the party declaring force majeure notifies the other party of the existence of the force majeure and shall be deemed to continue as long as the results or effects of the force majeure prevent the party from resuming performance in accordance with this agreement.

Force majeure shall not include the following occurrences:

1. Late delivery of equipment or materials caused by congestion at a manufacturer's plant or elsewhere, or by an oversold condition of the market.
 2. Late performance by a subcontractor unless the delay arises out of a force majeure occurrence in accordance with this force majeure term and condition. Any delay or failure in performance by either party hereto shall not constitute default hereunder or give rise to any claim for damages or loss of anticipated profits, if, and to the extent that, such delay or failure is caused by force majeure.
- B. If either party is delayed at any time in the progress of the work by force majeure, the delayed party shall notify the other party in writing as soon as is practical, of the commencement of such delay and shall specify the causes of such delay in such notice. Such notice shall be hand delivered or mailed certified-return receipt and shall make a specific reference to this article, thereby invoking its provisions. The delayed party shall cause such delay to cease as soon as practicable and shall notify the other party in writing when it has done so. The time of completion shall be extended by contract modification for a period of time equal to the time that the results or effects of such delay prevent the delayed party from performing in accordance with this contract.

24. RIGHT TO ASSURANCE

Whenever one party to this contract in good faith has reason to question the other party's intent to perform, it may demand that the other party give a written assurance to this intent to perform. In the event that a demand is made and no written assurance is given within five (5) days, the demanding party may treat this failure as an anticipatory repudiation of the contract.

25. RECORDS

Each Contractor shall retain, and shall contractually require each Subcontractor to retain, all books, accounts, reports, files and other records relating to the acquisition and performance of the contract for a period of five (5) years after the completion of the contract. All such documents shall be subject to inspection and audit at reasonable times. Upon request, a legible copy of any or all such documents shall be produced at the offices of the School.

Material, service or construction failing to conform to the specifications of this contract shall be held at Contractor's risk and may be returned to the contractor. If so returned, all costs are the responsibility of the Contractor.

29. EXCLUSIVE POSSESSION

Blackwater School Rd. Coolidge, AZ 85128 unless otherwise notified by the School. C.O.D. shipments will not be accepted.

32. TITLE AND RISK OF LOSS

The title and risk of loss of material or service shall not pass to the School until the School actually receives the material or service at the point of delivery, unless otherwise provided within this contract.

33. NO REPLACEMENT OF DEFECTIVE TENDER

Every tender of materials must fully comply with all provisions of this contract. If a tender is made which does not fully conform, this shall constitute a breach and contractor shall not have the right to substitute a conforming tender.

34. DEFAULT IN ONE INSTALLMENT TO CONSTITUTE TOTAL BREACH

Contractor shall deliver conforming materials in each installment or lot of this contract and may not substitute nonconforming materials. Delivery of nonconforming materials or a default of any nature, at the option of the School, shall constitute a breach of the contract as a whole.

35. SHIPMENT UNDER RESERVATION PROHIBITED

Contractor is not authorized to ship materials under reservation and no tender of a bill of lading shall operate as a tender of the materials.

36. LIENS

All goods, services and other deliverables supplied to the School under this contract shall be free of all liens other than the security interest held by the Contractor until payment in full is made by the School. Upon request of the School, the Contractor shall provide a formal release of all liens.

37. PAYMENT

A separate invoice shall be issued for each shipment of material or service performed, and no payment shall be issued prior to receipt of material, service or construction and correct invoice.

38. LICENSES

Contractor shall maintain in current status all Federal, State and Tribal licenses and permits required for the operation of the business conducted by the Contractor as applicable to this contract.

39. COST OF PROPOSAL PREPARATION

- B. The information identified by the person as confidential shall not be disclosed until the School makes a written determination.
- C. The School shall review the statement and information and shall determine in writing whether the information shall be withheld.
- D. If the School determines to disclose the information, the School shall inform the Offeror in writing of such determination.

41. AUTHORIZED CHANGES

The school reserves the right at any time to make changes in any one or more of the following: a) methods of shipment or packing; b) place of delivery; and c) quantities. If any change causes an increase or decrease in the cost of or the time required for performance, an equitable adjustment may be made in the price or delivery schedule, or both. Any claim for adjustment shall be deemed waived unless evidenced in writing and approved by the Executive Director prior to the institution of the change.

42. TERMINATION FOR CONVENIENCE

The School reserves the right to terminate any resulting order or contract upon thirty (30) days written notice. The School will be responsible only for those standard items which have been delivered and accepted. If the items being purchased are truly unique and therefore not salable or useable for any other application, the School will reimburse the Contractor for actual labor, material, and burden costs, plus a profit not to exceed 8%. Title to all materials, work-in-progress, and completed but undelivered goods, will pass to the School after costs are claimed and allowed. The Contractor shall submit detailed cost claims in an acceptable manner and shall permit the School to examine such books and records as may be necessary in order to verify the reasonableness of any claims. In the event of non-availability of funding, any resulting order or contract is subject

to immediate termination, without penalty, by the School's Board of Trustees. In addition, all agreements are subject to review by the School's attorney.
