

# Directions - Kindergarten Work Log

Only do the sections marked for that day.

## Reading

1. Reading Log
  - a. Read a story together. Write down the title of the book. Write down how long it took to read. Have your child color in a face for how they felt about the book (smile = liked, straight face = it was ok, sad face = didn't like it) Then initial to show it was completed.
2. Unit 4 Sight Words
  - a. Have your child go through and read the sight words. Mark down how many they got correct, and then review the ones that they missed. Initial to show it was completed.
3. Missing Sounds - CVC words
  - a. Have your child look at the picture. Say what the picture is, and try and find the missing letter for the CVC word.

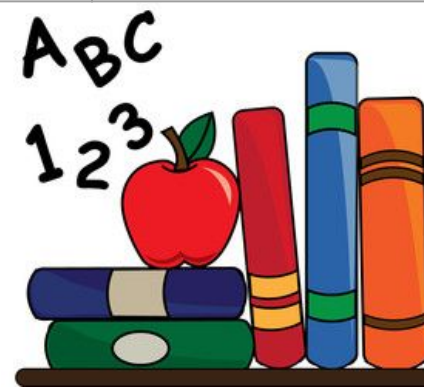

## Math:

1. Count to 100.
  - a. Have your child count to 100. Write down what number they stopped at. Then date and initial to show completion.
2. Fluency addition
  - a. There are 10 problems per day. The goal is to get faster and memorize the problems. Have your child completed the 10 problems, and then initial to show completion.
3. Fluency Subtraction
  - a. Same as fluency addition. Make sure that your child is subtracting (take away), and then initial to show completion.
4. 2-d Shape recognition
  - a. Have your child go through and name all of the shapes in the chart. Write down the ones they missed, and review those. Initial and date to show completion.
5. Addition and Subtraction Practice
  - a. There are two problems per day. Have your child draw counters in order to figure out the answer to the addition and subtraction problems. Make sure they are paying attention to the sign in each problem. Date and initial to show completion.
