

Dear Parents/Guardians,

We cannot express how much we miss each and every one of our students, and more than anything, we wish to be able to have them back with us in our classroom. Thank you so much for working with us through this trying time.

The following packets are the Kindergarten math and reading work for the next two weeks. We tried to keep the format somewhat similar to the review, but we are now incorporating the workbooks. This will make sure that they are as prepared as possible for when we are out of quarantine.

Each day the schedule will consist of:

Reading:

1. Reading Log
2. Sight/High Frequency Words
3. Reader's Notebook
4. Writing Activity

Math:

1. Count to 100
2. Addition Fluency
3. Subtraction Fluency
4. EnVision Math Notebook
5. Number Writing

Turning in Work:

There are a couple options:

- Returning it to the school once finished.
- Taking pictures and emailing, texting, posting to class dojo or any other platform that your teacher has provided.

This will more than likely be our set up for the remainder of the quarantine. If you have any questions or concerns, please feel free to reach out to your child's teacher. We will be in contact as much as we can.

Thank you again for your cooperation.

Sincerely,
The KINDERGarten Team
