

Welcome to Week 3 & 4

April 13th- April 24th

We miss you guys a whole bunch!! We are getting better with technology and we have included videos for your viewing enjoyment as well as your learning pleasure.

Important things you should know

1. There is now a Science and Social Studies assignment. We will be trading off between Science and Social Studies weekly.
2. All this work that you are completing will result in a grade for you for the fourth quarter.
3. We have made you guys bags and packaged up all your stuff from the classroom.
4. When it is safe we will be planning a family gathering of 3rd grade so that we can see each other again!!
5. Did I mention that we appreciate all the hard work that you are putting in and we completely miss you!?!
