

A colorful border surrounds the page, featuring numbers (1, 2, 3), letters (A, B, C), and various shapes (triangles, squares, circles) in different colors. There are also illustrations of a paint palette, scissors, and handprints.

Dear Parents/Guardians,

We will continue to thank you for the hard work that you are putting in for the benefit of your child's education.

We are no longer sending home packets. The work that you child will be doing will come from their Reader's Notebook and their EnVision Notebook.

**Remember: This work is counted, so participation is required.**

**Turning in Work:**

- Taking pictures and emailing, texting, posting to class dojo or any other platform that your teacher has provided.

Learning does not just come from the workbooks that we have provided. There are *MANY* other ways that you child can still be learning that is not sitting and completing worksheets. We have provided a list of everyday activities that are still considered learning. Remember, you are not confined to the workbooks! Have fun with this time at home!

This will more than likely be our set up for the remainder of the quarantine. If you have any questions or concerns, please feel free to reach out to your child's teacher. We will be in contact as much as we can.

Thank you again for your cooperation.

Sincerely,  
The KINDERgarten Team

My Teacher's Contact Info:
