

To: Mrs Nuccio's Reading Groups

Students,

I hope you are all doing well. I have given you a packet of assignments to complete while you are studying at home. Also, please read at least 20 min every day from an additional book.

Parents/Guardians please take time to go over the assignment with your child/children and take this opportunity to listen to your child read.

Thank you,

Mrs Nuccio-Reading Interventionist

Student Assignments

Your assignment is to complete 3-4 pages of your packet each day. This is the same amount of pages we complete during our class time.

In addition to your assignment please read at least 20 minutes from an additional book. Read with an adult or older brother/sister.

Remember we are working to become better readers. When we read well, there isn't anything we can't do. The sky is the limit!

Thank you,
Mrs. Nuccio, Reading Interventionist
