# Principal's Letter

Dear Parents and Guardians

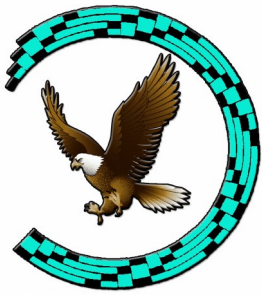

I would like to thank each one of you for your continuing support to our school and a strong commitment to play an active and engaging role in the education of your child. As you know our instructional staff have been putting their lesson plans together to ensure the maintenance of continuity of academic instructions to all our students. These next two weeks, assignments will be online and can be accessed through internet by visiting our school's website located at: <https://www.bwcs.k12.az.us> and look under "My Teacher" and "My Work" tabs on the navigational menu.

Secondly, I would like to remind you that all assignment packets that have been delivered to your child are due back in order for our teachers to start grading those completed assignments. Our school stays open Monday-Friday from 7:30am till 1:00pm and answering services are available till 3:30pm. School administration remains available by phone and emails Monday-Friday at our regular school times.

We have two counselors available to help out any student needing help, please give us a call at the school, we will be glad to setup an appointment via phone and or video conference with the needy child and or his/her family.

As far as construction at the school is concerned, it is going very well. The crew has started interior framing in two of the three buildings and one double story building is getting ready for the roofing part. You may want to check out videos and still images that have been posted on our school's website. We are getting very excited to see the construction progress on daily basis. Our tentative plan is to move into the new classrooms sometimes in October of this year.

This is a just a friendly reminder that if you have prepaid for the school pictures of your child, please come and pick up the picture packets for your child from the front office. Be safe and take care of yourself and your loved ones.
