## Principal's Letter

BWCS students and families,

On behalf of BWCS staff and Board of Trustees, I want to extend our sincere thanks and gratitude for all of your help and patience during the Covid 19 pandemic and distance learning. We understand technology provided many challenges for all of us! It was a huge learning curve not only for teachers and instructional staff, parents/guardians, but the students as well. Many students have expressed their excitement to return to school! They miss their friends, teachers and daily routines.

Summer school starts June 1st. As of now, it will be delivered virtually. Should circumstances change, we will update you as soon as possible. If you have not enrolled your child for summer school, please call the office ASAP.

If you do not plan on sending your child to summer school, please return all laptops and library books to the School office, Monday, May 18– Friday, May 22 from 7:30-1:00. All laptops must be returned regardless the condition.

For any technology issues, during summer session, please call the school 520.215.5859 and your call will be transferred to the technology department for their assistance.
