Virtual Classes are

Real Classes

Please don't forget that while things may look a little different this year, Virtual Learning has the same expectations as On-Site Learning. Attendance is recorded daily and every child is expected to attend their scheduled classes. Help us make it a great year!

*"A true hero isn't measured
by the size of his strength,
but by the strength of his
heart."*

Principal's Letter

Dear Parents and Guardians,

I can't believe how fast the time is just flying, and we are already thinking about report cards for the first quarter which is ending on October 2nd. I want to thank each and every employee of the school for working together for our students and the community. We have taken the "whatever it takes" attitude to ensure our students receive the best education even during these trying times for all of us. What is really encouraging this year, is the role, our parents and guardians are playing in the education of our community children. My hats off to you and keep it up!

As you know our school is really big on the reading literacy for our students and this year is no different. To continue to address this area, school has established a great partnership with BookTrust of America, whereby each student enrolled at our school will start getting brand new reading books coming straight to your home this coming month and will continue until May of next year. We are requesting all of our parents to spend at least 15-20 minutes of reading time with your child every day. Please make sure you turn all the background noise off (TV, Music etc.) while your child is reading to you or you are reading to your child. Help your child establish a home library of your child's favorite books.

Our language and Culture teacher, Ms. Pratt, has been sending assignment packets home. Please make sure you are helping your child to complete it and return all completed work in the front office in a timely manner.

This is just a reminder, we have been serving hot lunches since the beginning of this school year. Please check out our catered food, it is really good. We have three serving stations- one each in D1, D2 and D3. If there is a transportation issue with any of our families, please call the front office and let us know, we will try our best to deliver the hot meals to your home. Also, if there is a need of a student desk and or chair to ensure an idle learning environment at home, give us a call. We have some extra desks and chairs for our students.

For any questions, please call me directly at (520)215-7905. Thank you again for all your support to our school.

Sincerely,

Jack Sharma

BWCS Breakfast & Lunch Distribution

Hot Lunch & Cold Breakfast for the following school day will be delivered from

11: 45 am- 12: 00 pm.
