As we embark on our Second Quarter Adventure for the 20-21 school year, I would like to take time to reflect on a successful First Quarter and congratulate all of our students on their hard work and accomplishments. A big shout out and thank you goes out to all of our parents and guardians for stepping up and assisting our students with virtual learning. I am very excited to see what this second quarter brings us.

**Reminder: Parents, please keep reminding your child, that they must take good care of the school issued laptops and other devices.**
