"Quality Education Begins Here"

Welcome to Blackwater Community School!

We are thrilled to open our doors and welcome back students. As we emerge from the months of uncertainty created by the COVID-19 Pandemic, we are grateful for the never-ending support from our community. Teachers, paras, administration, cafeteria workers, and bus drivers alike are looking forward to seeing all of the returning and new faces!

The first day of school is an exciting milestone in your child's life. Your child is embarking on a journey that will lead them on many roads of discovery and learning. As wonderful as this new experience may be, it can also be quite stressful for the young child. New situations and change can, at times, be unsettling for all of us. For many children this may be their first experience of separation from parents or caregivers at home. There it is common for even the most outgoing child to be anxious the first day of school.

We have provided a few suggestions for assisting your child during this time. Remember our Staff members will be available to provide support and assistance in assuring that your child's first school experience is a happy one.

- Prepare your child for the new school experience by explaining what to expect. Answer all questions directly and honestly.
- Convey a positive attitude. Young children are aware of your feelings. Your enthusiasm will assure the child that school can be a fun and exciting place.
- Establish a routine involving both the night before a school day as well as morning preparation. Rituals and routines will add predictability and are comforting in unfamiliar situations.
- Clearly state to your child where you will be and when he/she will return. It may also be helpful to discuss what will happen when you are reunited.
- Maintain a clear good-bye routine. This may include warning the child you are leaving in 3 minutes, a kiss or hug, or a wave from the window. Once you tell your child you are leaving, it is important to follow through. Extending the good-bye with, "okay just one more kiss, and then I really have to go" tends to heighten anxiety rather than relieve it. Avoid sneaking out, as this seems to encourage children to become less trusting and makes the second day of school even harder.

We are very honored that you chose Blackwater Community School and vow to do our best to educate your child academically, emotionally, and culturally. Please know we are here to help make the first day of school a happy transition and we look forward to an exciting and fun year.
