"A little consideration, a little thought for others, makes all the difference." -- Eeyore
(Winnie the Pooh)

From the Principal's Desk

Dear Parents and Guardians

I would like to welcome each student and yourself in our new school year 2022-23. Blackwater Community School has amazing, dedicated, and caring employees who go the extra mile to ensure quality education is taught to all our children enrolled at our school. We are all very proud of our new school campus and employees.

School Administration and teachers have reviewed last year's academic data of our students specifically in the areas of reading and mathematics. It is quite obvious that due to the Covid-19 situation in our community, most of our students need extra help in those two core areas of the curriculum. This is one of the main reasons why Blackwater School believes in educating students five days a week. We are planning to start After School Programs next month which will include academic remedial and enrichment activities for all students. I would like to encourage you all to sign up your child for these afterschool programs.

We firmly believe that our students deserve the best quality education, and to make that happen we must work together as a team. Your active participation in the educational journey of your child will make a huge difference!

Thanks again for your continuing support to our school and we appreciate it very much.

Sincerely,

Jagdish Sharma
Principal
