Uniforms are being disbursed by grade level and we hope to have every student in uniform by the end of August.

Beginning in September, Students not dressed in accordance with the BWCS dress code may be offered use of standard school clothing for the day, or their parents will be contacted to bring correct clothing. Students who repeatedly fail to dress in accordance with this dress code may be subject to disciplinary actions as set forth in the Student Handbook and the BWCS policy manual. No student shall be subject to discipline for failure to comply with this dress code. If the reason is economic hardship, under extreme circumstances, BWCS will work with families to locate assistance for the student to be clothed with standard school clothing. New students who enter BWCS will have 1 week to purchase standard school clothing.

## FROM PRINCIPAL'S DESK

Greetings!

On behalf of school community, I would like to welcome you all to Blackwater Community School for the school year of 2023-24. We are off to a great start and very excited see our students back in high spirits. Your role as parents and guardians has never been as essential to academic success as it is now. We must continue to work together as one team to ensure the success of each student enrolled at our school.

I want to ensure that the school administration will continue to provide a safe learning environment, free from drugs, bullying, and other distractions. During the 4th quarter of last school year, we have noticed a surge where students had access to items such as tobacco, drugs, alcohol, vaping devices, and nonprescription/OTC products. BWCS has made some significant changes in dealing with such incidents.

Please read the following changes and consequences in our policy guidelines:

We expect that you will continue to provide equally safe home environment. We must, as a team, continue to be vigilant and restrict all access to such items as well as educating our children from the dangers of drugs and alcohol.

Please help us to keep our school and the community a safe place where our students enjoy their worry-free childhood and continue to receive quality education that our school is committed to provide. Feel free to contact school (520) 215-5859 to receive a paper copy of our revised Parent-Student Handbook for the current year.

We are all looking forward to a safe and great academic school year. Thank you all for your continuing support to our school, we appreciate it very much.

Principal, Jagdish Sharma

Is your child missing glasses?  
The office has a box full of lost glasses, from the previous school year. If glasses are not claimed by September 8, they will be dropped off at Huhukam Memorial Hospital Optometry.
