FROM PRINCIPAL'S DESK

Dear Parents and Guardians
Season's Greetings!

It is hard to believe that we are already into the month of November. We have many special events scheduled for this month. Following is brief list:

Feast Day: November 17, 2023: 10AM-12PM

Parents and Guardians are welcome.

Culture Day Celebrations: November 21, 2023

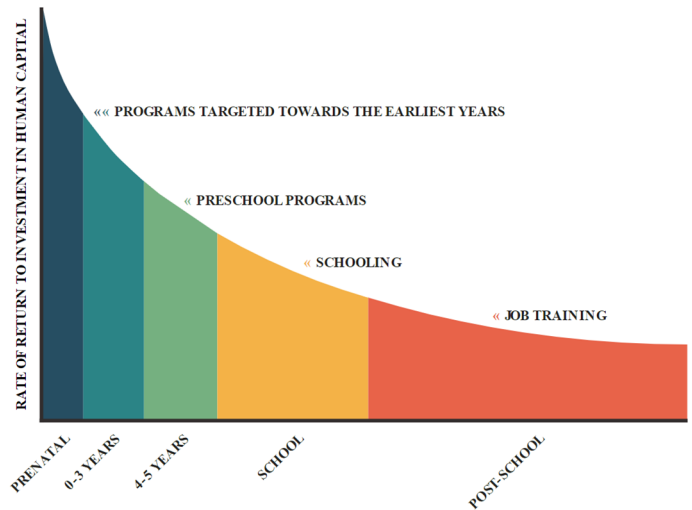

Thanksgiving Break: November 23-24

I would like to remind our parents, guardians, and community members about the importance of Early Childhood Education. Our school hosts three programs where you can enroll your young child(ren) of 3–4 years-old in either Family and Child Education (FACE) program, Quality First Program which is now a 5-STAR rated Program, or NYCP Grant Based Pre-school. Each program has its own requirements, please call the school at 520-215-5859 for more information.

As James J. Heckman rightly pointed out about investing in Early Childhood Education: "The highest rate of return in early childhood development comes from investing as early as possible, from birth through age five, in disadvantaged families. Starting at age three or

four is too little too late, as it fails to recognize that skills beget skills in a complementary and dynamic way. Efforts should focus on the first years for the greatest efficiency and effectiveness. The best investment is in quality early childhood development from birth to five for disadvantaged children and their families."

Thank you all for your continuing support to our school, we appreciate it very much.
