Lice Information for Parents/Guardian
Gila River Indian Schools

- I understand it is my responsibility to keep my child's hair free of head lice. I understand I need to have my child's hair cleaned in a timely manner to reduce school absence.

- I will review and follow the schools lice guidelines in my student's school handbook for nits, lice, or head sores related to lice infestation.

- The school nurse or school staff will contact me either by phone or letter if my child is found to have nits, lice, or head sores related to lice infestation. If I treat and comb out my child's hair, I may send my student back to school the next day. A pharmacy referral for lice shampoo, lice treatment options and a 14 day Lice educational flyer will be sent home with my child found to have head lice.

- Any GRHC Pharmacy (HHK, RTH or KHC) will provide a lice shampoo kit at your request, for your child/children who have lice. (You do not need to be seen by a doctor or have a referral).

- In addition, the school nurse office has a lice shampoo kit for a child who has lice. The parent/legal guardian MUST arrive to the nurse office at your child's school and sign a form, then the nurse will provide a lice shampoo kit for your child. Contact the school nurse for more information.

- The Gila River Health Care Public Health Nursing (PHN) Department may assist the family with managing head lice at home at the request of the family and the school nurse can send home a PHN referral as well.

EMERGENCY CONTACTS FOR THE SCHOOL HEALTH NURSE OFFICE: If I am unable to be reached, school authorities have my permission to contact and release my child to the following three individuals if my child becomes ill or is injured:

NAME	Relationship	Phone: Home and Cell
1.		
2.		
3.		

The SHS Program includes, but is not limited to, providing professional nursing services for your child while they attend schools within the Gila River Indian Community. Additional services include health education, annual health screenings, nursing assessments, nursing care and treatment of injury/illness, emergency care, immunization administration and immunization surveillance, infection prevention measures, case-management/care-coordination and monitoring acute and chronic Health conditions.

I understand that in order for my student to receive prescription medication at school, I must sign a SHS Medication Administration Consent form. All medication must be brought to school by an adult, and must be in the original container with the child's prescription label on it. Trained school staff may administer prescribed medication.

If my child experiences a life-threatening anaphylaxis reaction while at school or at a school activity, I understand and give permission for trained school personnel or trained SHS staff to administer life-saving epinephrine medication.

- I understand, Narcan (naloxone hcl) will be available at some schools and will be used when necessary.

In case of accident, or injury/illness, I request the school to contact me. If the school is unable to reach me, I hereby authorize the school to contact one of the adults listed above. In the event the adults listed above cannot be reached, the school may make whatever arrangements necessary to provide care and treatment for my child, including call 911. School personnel have my permission to request transport of my child to the nearest emergency room. I understand and agree that I will be responsible for any emergency medical services fees.

SHS Health Educators, will provide health education classes including, but not limited to: the human body, hygiene, emotional and personal health, health careers, health promotion, nutrition, wellness, lice prevention, anti-bullying, infection prevention measures and safety.

I am the parent/guardian of the student listed above and I give consent for my child to receive SHS program services which are explained above. I understand, the SHS Consent to Treat Form is good for the academic school year 2023-24. I understand that if guardianship changes a new consent must be signed by the legal guardian. I understand that by providing an alternative contact, if I cannot be reached, medical information regarding my child, will be shared between the school nurse and the alternative contact.

HEALTH INFORMATION RELEASE

Child's Name: _____ Date of Birth: _____ Person ID #: _____ M / F

- All healthcare information is confidential. By signing this consent form, you are giving the GRHC school nurse permission to communicate and share your child's health information with school personnel about your child's medical condition. Your child's health information will continue to be treated in a confidential manner, and will only be shared with those that need to know for the safety of your child while he/she is at school.

- By signing this consent form, you give us your permission to obtain your child's immunization record, which may include their COVID-19 vaccination record, and share it on a need-to-know basis with school administration.

- By signing this consent form, you give us your permission to obtain your child's COVID-19 test results from their GRHC medical record, and share it on a need-to-know basis with school administration.

- By signing this consent form, you understand and give permission for your child's healthcare information to be shared with other GRHC healthcare providers to coordinate healthcare services and for the continuity of care. The information may include, but is not limited to, COVID-19 test results, eyeglass wear/vision and hearing screening results, and/or other health conditions such as asthma, diabetes, seizures, heart condition(s) or severe allergies.

My signature below indicates that I have read and understand the above, and that the SHS Health Information Release is for the academic year (SY 23-24). I am the legal guardian of the above named child. I understand that if guardianship changes a new consent must be signed by the new legal guardian. I further understand that by providing an alternative contact, if I cannot be reached, medical information regarding the above name child will be shared between the school nurse and the alternative contact.

Parent/Guardian Consent for Over The Counter and Non-Prescription Medication Administration During School Hours

There are certain procedures to be followed should it be necessary for your child to be given over the counter medications during school hours. Please review and sign this document.

Child's Name: _____ Date of Birth: _____ Person ID #: _____ M / F

ADMINISTRATION OF NON-PRESCRIPTION MEDICATION:

OPT OUT ☐ **NO,** I do not want my child to receive Over The Counter Medication at School

Non-prescription medications or over the counter medications (such as Tylenol, bacitracin etc.) may be administered to students who have written permission from parents/guardians. Homeopathic and naturopathic medication will not be administered at the school. Homeopathic and naturopathic remedies are not FDA-approved for use and are therefore not considered as over the counter medications.

A signed Parent/Guardian Consent for Permission to Administer Over the Counter Medications must be signed and on file with the School Health Services Nurse/Office. Non-prescription medications will be given in a dosage consistent with the child's weight and/or age. All medication will be given in accordance with the GRHC SHS Medical Director Standing Order.

OVER-THE-COUNTER MEDICATIONS: I give the School Nurse RN permission to administer the following over the counter medications: **Acetaminophen Tablets and or Chewable Tablet also known as Tylenol, Bacitracin Ointment, Diphenhydramine Capsule and Suspension also known as Benadryl, Hydrocortisone Cream 1%, Refresh Plus-Eye Lubricant (Carboxymethlcellulose sodium 0.5%), Sterile Isotonic Buffered Solution also known as eye wash.**

OVER-THE-COUNTER LICE SHAMPOO:

OPT OUT ☐ **NO,** I do not want a lice shampoo kit for my child.

Rid Lice Shampoo Kit (Piperonyl Butoxide 4% Pyrethrum extract) or GRHC Pharmacy has in stock for lice shampoo.

Is available only to students who are eligible to receive services at GRHC. If my child has been identified as having head lice while at school I, parent/guardian request to be given a lice shampoo kit, so I may treat my child for lice at home. I understand I will need to pick up the lice shampoo kit from the nurse office in person and sign a form verifying I have received a lice shampoo kit.

I understand my child will not be permitted to carry prescribed, herbal medicinal substances or over the counter medications on campus. Student violation of this policy may result in disciplinary action by school administration. The only exceptions are when a parent has signed a self-carrying form for their child. The inhaler and epi-pen must have a prescription label with the student's name on it. This form must be turned into the school nurse prior to self-carrying any medication.

I have read and understand the above and I request and hereby give consent for the GRHC School RN to assist my child with administering over the counter medication (listed above).

BEHAVIORAL HEALTH SCHOOL COUNSELING PROGRAM (Optional)

Gila River Health Care (GRHC) has established a Behavioral Health School Counseling (BHSC) Program with your child's school to provide support/counseling services during school hours intended to promote social emotional wellness, educational progress and success. If you would like your child to be eligible to receive these services, you will need to complete the "opt in" section below. If you do not want your child to receive these services, you may opt out of the program by completing the "opt out" section below. Your decision to opt in or out of the program will not prevent your child from receiving services in crisis situations.

Please check *ONLY ONE BOX* below

OPT IN TO THE BHSC PROGRAM: (Check only 1 of the 2 boxes)

☐ I want my child to be eligible receive support/counseling services as needed through the BHSC Program.

I authorize the GRHC BHSC Program to provide support/counseling services (in person or through virtual means), to the extent consistent with Program requirements and in coordination with my child's school, when determined appropriate to support my child's social-emotional wellness, educational progress and success.
I understand that if it is determined that my child would benefit from ongoing behavioral health services such as ongoing groups, one-on-one therapy or referrals to other behavioral health services outside the BHSC Program, such services will be discussed with me and a separate consent form will be sent home with my child before any of these services are provided. I authorize the BHSC Program to share my child's information with school personnel only as necessary to facilitate the services hereunder (including providing a copy of this form to the school) and to protect the health and safety of my child and others.

OPT OUT OF THE BHSC PROGRAM: (Check only 1 of the 2 boxes)

☐ I do not want my child to be eligible to receive support/counseling services through the BHSC Program. I understand that this means that my child will not receive behavioral health services (except in crisis situations) during school hours for the 2023-2024 school year unless consent is provided at a later time. I authorize the BHSC Program to provide a copy of this form to my child's school.
