Parents/Guardians,

We are now in the 3rd Qtr. of the School Year and we are noticing more students dressed out of uniform. We ask that you remind your students of the dress code so that they are not penalized, per contract. We appreciate your ongoing support at BWCS.

Dear Blackwater Parents and Guardians,

Valentine's Day is NEXT Friday! Students will be celebrating in their classrooms the last 30 minutes of the day on Friday, February 14th. Please check backpacks for class rosters. Students can pass out Valentine cards and bring treats to share with classmates. We do have a "Healthy Snack" policy and encourage parents to send healthy choices. Fruit snacks, granola bars, and muffins are excellent treats. Monday, February 17th is honored as George Washington's Birthday and there will be NO school. Here are some fun facts to share with your children!

George Washington was the first president of the United States of America. His first term as president was from 1789 to 1793 and his second term from 1793 to 1797. Before he became president, he played important roles in the military, leading the American Continental Army to victory over the British in 1783. Washington is often seen as the father of the United States and is probably the best known American politician ever.

The likeness and name of George Washington can still be seen in many places in the United States. There is the portrait of him and three other American presidents carved into Mount Rushmore National Memorial in South Dakota. His image is also used on the one-dollar bill and the quarter-dollar coin. The capital of the United States, Washington D.C., Washington State and at least three universities are named after him.

Washington's Birthday was first celebrated as a holiday in the District of Columbia in 1880. It was made a federal holiday in 1885. The holiday was originally held on the anniversary of George Washington's birth, on February 22. In 1971, this holiday was moved to the third Monday in February.
