The Wellness Committee and the Board of Directors approved the updated LWP.

Blackwater Community School can improve on posting menus on school website.

Blackwater Community School needs to better communicate with our community to inform them of our LWP and encourage participation.

Recommendations:

- 1) Inform parents of LWP meetings via school website.
- 2) Post monthly menus on school website.
- 3) Require more participation of health and nutritional professionals in our school.
- 4) Promote teacher participation by proportioning training in nutrition education.
